Code Numbers in accordance with EN 10168 (see overleaf).  
Alterations to this document or its use for other products shall be regarded as falsification of documents and be subject to criminal jurisdiction.

Compliance with European Directives - The CE mark shown in Hartlepool 20" mill inspection documents is in accordance with the Construction Products Regulation 305/2011/EU applicable to harmonized standards EN 10210 & EN 10219 only. Hartlepool 20" mill Quality System complies with the Pressure Equipment Directive (PED) 2014/68/EU Annex I Para 4.3. Note - only tubes in accordance with EN 10217 (TR1 grades excluded) have a presumption of conformity with the PED.
