NOTES

Ht Cd	Country of Melt	Note
1P140	United States	NORMALIZED, 1650F FOR 1HR/INCH, AIR COOL Fine Grain Practice

Fine Grain Practice is defined in ASME Section VIII-2023 Figure UCS-66 (e) (2) & ASME BPVC.II.A-2023 SA20 Section 8.3

Steel used is Fully Killed. Flanges bearing the "BOLTEX" name are machined in the United States. Flanges marked with "USA" are made from steel melted in the United States. Boltex flanges are manufactured in accordance to the requirements of ASME BPVC.II.A-2023 SA105/ASTM A105-24, ASTM A694-16, or any other Purchase Order requirements.

Flanges marked B16 and/or MSS meet the dimensions and tolerances of ASME B16.36-2020, ASME B16.5-2020, ASME B16.47-2020, and MSS SP-44-2019, as applicable.

They are also capable of passing a hydrostatic test compatible with their rating and all test results and process information contained herein are correct and true as contained in company records.

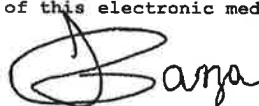

Flanges marked A/SA105 or A/SA105N will meet NACE MR0175-2021/ISO15156-1:2020 and/or MR0103/ISO17945:2015.

ISO 9001:2015, Certificate No.: 142240-2013-AQ-USA-ANAB

PED Directive 2014/68/EU Annex 1, Section 4.3, Certificate No.: 3651-2013-CE-HOU-DNV

Notwithstanding the absence of a signature, the organization submitting either a printed certificate or an EDI transmitted certificate is responsible for report content or the report as per ASTM A961-24 Section 19.5.
